

DIFFICULT WORK. LONG HOURS. LIFE AND DEATH DECISIONS. *HOW DO YOU SAY "THANK YOU"?*

At North State Bank, we say "thanks" to physicians like Dr. Tim Garner by taking care of their banking while they take care of patients. That's the reason we created our comprehensive **Medical Banking Package**.

If you are looking for a banker who knows the meaning of the word *relationship* and understands the business of being a physician, call us.

Congratulations to
all of this year's
Health Care Heroes.
